Variable™

4 x A

4 x B

1 x C

8 x D

EN

Mount the floor brace with the short side up and the long side down. Do not tighten the screws firmly until all other parts are assembled.

DE

Montieren Sie die Querzarge mit der kurzen Seite nach oben und der langen Seite nach unten. Ziehen Sie die Schrauben nicht fest an, bevor alle Teile montiert sind.

IT

Assemblare il traverso con il lato corto in alto e il lato lungo in basso. Non stringere le viti, fino a quando tutte le altre parti non sono assemblate.

EN

Tighten all screws properly after assembly. The natural movement of the wood and your own movement when using the chair, will require occasional tightening of the screws. Please keep the Allen key.

DE

Alle Schrauben bitte sofort nach der Montage nochmals überprüfen und anziehen. Die Schrauben müssen von Zeit zu Zeit nachgezogen werden, da das Holz an sich arbeitet und auch durch das aktive Sitzen in Bewegung ist. Bitte bewahren Sie den Imbusschlüssel.

IT

Stringere tutte le viti correttamente dopo il montaggio. Il movimento naturale del legno e il proprio movimento durante l'utilizzo della sedia richiederanno il serraggio occasionale delle viti. Tieni la chiave Allan.
